

PRIMARY SUMMER CAMP – (AGES 3-6 YRS.)

This summer our primary programs will blend the best that Montessori and summer fun have to offer! Hosted at our Huntington campus the children will have 2 work spaces in each primary classroom, an indoor and outdoor classroom environment. With all of our fabulous Montessori certified teachers, this camp is sure to be a fun learning experience with trusted teachers in a safe and welcoming environment.

In the outdoor environments children will engage in gross motor activities, painting, practical

life and enjoy an outdoor snack. Children will also learn about gardening through hands on work in planting, caring for the plants and harvesting a variety of vegetables. Every Friday children will enjoy an outdoor picnic lunch followed by water play in the sprinkler at school.

In the indoor environments the children will be presented the Montessori materials, further reinforcing their skills learned during the school year and progressing through the curriculum without skipping a beat!

Children from both classrooms will be invited into the Creativity Room throughout the day where they will create their own masterpieces! Children will paint, mold clay, sew, and even bake special projects led by a certified Montessori teacher.

Whether you choose to join us for all 3 sessions or just want to give a single session a try, this program is sure to engage your child's whole brain and interest!

SUMMER CAMP TUITION

Summer camp is offered in three sessions and each session is three weeks long. Session dates are as followed:

Session I: June 12th – June 30th

Session II: July 3rd – July 21st

Session III: July 31st – August 18th
